
ADRIAN NICOLAS DE VITA

Data Analyst, Logistics Specialist.

City of Buenos Aires, Argentina.
(54) 911 3340 0968
adriandevita@gmail.com

Presentation

Skilled in Python, SQL, MySQL, and Power BI, I lead Data Analyst projects at MercadoLibre with BigQuery, Tableau, and Data Studio Looker. Former AI Trainer at ScaleAI, I improved coding practices. My logistics roles included using SQL databases and Power BI for analysis. Proficient in Pandas, NumPy, and SQL, I drive data-driven decisions.

EXPERIENCE

MercadoLibre, LATAM - *Data Analyst*

OCT 2023 -ACTUALLY

- Leading projects at MercadoLibre, I've consolidated 100+ dashboards for comprehensive insights in Latin America. Proficient in BigQuery, Tableau, and Looker, I implement Data Science solutions, collaborating on ML models. My diverse experience positions me to contribute meaningfully as a Data Analyst on your team, designing and assessing ML models for seamless deployment and maintenance in production.

AI TRAINER (PYTHON DEVELOPER) - *SCALE AI*

JUL 2023 - ACTUALLY

Responsibilities:

- Review and correct code written in Python, JS, or Java.
- Keep up-to-date with the latest coding best practices and industry standards.
- Collaborate with other team members to ensure code quality and consistency across projects.

LOGISTICS AND SUPPLY CHAIN SUPERVISOR, City of Buenos Aires -
GATES CORPORATION

JAN 2022 – NOV 2022

- As a Logistics and Supply Chain Supervisor, I orchestrated air, sea, and land import operations, utilizing Excel, Power BI, and SAP systems. My strong analytical skills optimize processes, ensuring efficiency and contributing to the company's success.

OPERATIONS SHIFT MANAGER, City of Buenos Aires - APM
TERMINALS MAERSK GROUP.

JAN 2018 – SEPT 2021

- Leading port operations, I managed import/export processes, supervised staff, and controlled operations with an ERP system. Using SQL, I extracted data for Power BI dashboards, facilitating informed decision-making. My focus on efficiency and compliance contributed to overall company success.

SENIOR CUSTOMER SERVICE EXECUTIVE, City of Buenos Aires -
DHL GLOBAL FORWARDING.

DEC 2010 – NOV 2017

- Coordinating air and sea shipments, I optimized processes using Excel and Power BI. Managing procurement and accounting with SAP systems, I extracted and analyzed data through SQL databases. Collaborating on SAP ORACLE implementation and training in Brazil expanded my logistics and system knowledge, enhancing team leadership and overall company efficiency.

STUDIES AND FORMATION

TECLAB, LATAM - ASSOCIATE DEGREE IN DATA SCIENCE,

JUL 2023 - Actually

Currently pursuing a degree in Data Science at Teclab, LATAM, I am actively engaged in expanding my knowledge and skills in the dynamic field of data analysis and technology.

IFTS N 6, ARGENTINA - ASSOCIATE DEGREE IN FOREIGN TRADE,

APR 2013- DEC 2018

From April 2013 to December 2018, I pursued and successfully completed an Associate Degree in Foreign Trade at IFTS N6, Argentina, acquiring a strong foundation in international trade principles and practices.
